Mock Interviews

Mock interviews were held recently at Fayetteville High School. Community participants included local businesses, industry, chamber board members and members from the Education Committee. Students remarked that they had a good experience with the interviews and enjoyed learning about the adults, their jobs and the paths that are available for them as they journey through their career interests.

Interviews will be at Lincoln County High School on Tuesday, March 5 with a morning and afternoon session.

If you would like to take part in the next session give us a call to sign up and for more information.

Governor's Volunteer Stars Awards

Congratulations to Lincoln County's adult honoree, **Tracy Holder** and youth honoree, **Charlie Burk** who recently received the Governor's Volunteer Stars Award for their volunteer service to our community.

The mission of Volunteer TN is to encourage volunteerism and community service. As County Coordinator the chamber encourages you to nominate an adult or student that has impacted our community through their volunteer efforts.
