## National Travel & Tourism Week

A big thank you goes to the hard working folks at the Tennessee Welcome Centers. They are on the front lines directing travelers to their destinations and also encouraging them to visit our communities and attractions along the way.

During National Tourism Week recently we met new friends, gave brochures and Frito Lay chips to visitors; inviting them to take Exit 14 and visit our awesome community. Our friend Connie Prichard was there too displaying just a portion of their product made right here in Lincoln County.

Smokey the Bear and his friends also paid a visit and paused for photo ops with travelers stopping in.
