"Lincoln Health had a wonderful time celebrating our One Year Anniversary with a ribbon cutting hosted by the Chamber of Commerce. We are so proud of all that we have accomplished in our first year. We thank the community for their support. This is only the beginning of all the great things we have in store!"

July Chamber Education Committee Meeting

Another good meeting of sharing with our partners in education and workforce. The committee will reconvene in September with some new initiatives, and expand our Mock Interviews to twice a year. Watch for details on how you can be part of the interview process. Several students were hired as a result of the interviews last spring.

We said farewell to our Chairman and committee founder Dr Laura Monks. As she retires we wish her all the best! She assures us she will still be involved in the chamber and community.

We welcome Lisa Sanders as Chairman and look forward to continuing these great community partnerships.
